

Resume of: A. MYRICK FREEMAN III

Present Position Research Professor of Economics, and William D. Shipman Professor of Economics Emeritus, Bowdoin College

Address and Phone: Department of Economics, Bowdoin College
Brunswick, ME 04011
Office: 207-725-3597
Home: 207-371-2447

Birthdate: February 6, 1936

Education: A.B., Economics, Cornell University, 1957
M.A., Economics, University of Washington, 1964
Ph.D., Economics, University of Washington, 1965

Awards *Publication of Enduring Quality Award* presented by the Association of Environmental and Resource Economists, January, 2003, for The Benefits of Environmental Improvement: Theory and Practice, Baltimore: Johns Hopkins University Press, 1979 and The Measurement of Environmental and Resource Values: Theory and Methods, Washington: Resources for the Future, 1993.

Elected a Fellow of the Association of Environmental and Resource Economists, 2008.

Fellowships: Resources for the Future, Inc., Doctoral Dissertation Fellowship, 1964-65

Ph.D. Thesis: The Federal Reclamation Program and the Distribution of Income. Submitted: December 1965; Chairman of Committee: Prof. James Crutchfield

Areas of Specialization: Economics of the Environment and Resources;
Benefit-Cost and Risk-Benefit Analysis; Public Policy Analysis

Teaching Interests Environmental and Resource Economics; Microeconomics; Risk Management

Military Service: Commissioned Officer, U.S. Navy, 1957-1963

Professional Experience:

2002-present Research Professor of Economics, Bowdoin College, and William D. Shipman Professor of Economics Emeritus, Bowdoin College

2000-2002 William D. Shipman Research Professor of Economics, Bowdoin College

1997, 1999-2000 Director of Environmental Studies Program, Bowdoin College

1993-2000 William D. Shipman Professor of Economics, Bowdoin College

1975-1993 Professor of Economics, Bowdoin College

1984-85 Director of Environmental Studies Program, Bowdoin College

1970-75 Associate Professor of Economics, Bowdoin College

1965-70 Assistant Professor of Economics, Bowdoin College

1963-64 Research Associate and Predoctoral Associate, Department of Economics, University of Washington, Seattle, Washington

Temporary and Visiting Positions:

1991-1995 Project Coordinator, New York State Environmental Externalities Cost Study

1988-1991 Senior Fellow, Resources for the Future

1988 Visiting Distinguished LaFollette Professor, the Robert M. LaFollette Institute of Public Affairs, University of Wisconsin, Madison

1982 College Visiting Professor, Department of Economics, University of Washington, Seattle, Washington

1976-78 Fellow, Resources for the Future, Inc., Washington, D.C.

1973 Visiting Associate Professor, University of Wisconsin, Madison, Wisconsin

1969-70 Visiting Scholar, Resources for the Future, Inc., Washington, D.C.

PUBLICATIONS

BOOKS:

International Trade: An Introduction to Method and Theory, New York, Harper & Row, 1971.

The Economics of Environmental Policy, with Robert H. Haveman and Allen V. Kneese, New York, John Wiley, 1973.

Pollution, Resources, and the Environment--A Book of Readings, with Alain C. Enthoven, New York: W. W. Norton and Co., 1973.

The Benefits of Environmental Improvement: Theory and Practice, Baltimore: Johns Hopkins University Press, 1979.

Air and Water Pollution Control: A Benefit-Cost Assessment, New York: John Wiley, 1982.

Intermediate Microeconomic Analysis, New York: Harper & Row, 1983.

Evaluación Económica de los Costes y Beneficios de la Mejora Ambiental, with Antonio Ferreiro Chao, Diego Azqueta Oyarzun, Antonio Garcia Ferrer, and Per-Olov Johansson, Monografías de Economía y Medio Ambiente, No. 4, Agencia de Medio Ambiente, Junta Andalucía, Seville, Spain, 1993.

The Measurement of Environmental and Resource Values: Theory and Methods, Washington: Resources for the Future, 1993.

The Economic Approach to Environmental Policy: The Selected Essays of A. Myrick Freeman III, Edward Elgar, 1998.

The Measurement of Environmental and Resource Values: Theory and Methods, Second Edition, Washington: Resources for the Future, 2003.

The Measurement of Environmental and Resource Values: Theory and Methods, First Edition, Chinese Translation, China Renmin University Press, Beijing, China.

SCHOLARLY ARTICLES:

"Adjusted Benefit-Cost Ratios for Six Reclamation Projects," Journal of Farm Economics, November, 1966.

"Bribes and Charges: Some Comments," Water Resources Research, 1967.

"Income Distribution and Planning for Public Investment," American Economic Review, June, 1967.

"Six Federal Reclamation Projects and the Distribution of Income," Water Resources Research, 1967

"Advocacy and Resource Allocation Decisions in the Public Sector," Natural Resources Journal, April, 1969.

"Income Distribution and Social Choice: A Pragmatic Approach," Public Choice, Fall, 1969.

"Benefit-Cost Analysis and Multiple Objectives: Current Issues in Water Resource Planning," with Robert Haveman, Water Resources Research, December, 1970.

"Water Pollution Control, River Basin Authorities and Economic Incentives: Some Current Policy Issues," with Robert H. Haveman, Public Policy, Winter, 1971.

"Option Demand and Consumer Surplus: Further Comment," with Charles J. Cicchetti, Quarterly Journal of Economics, August, 1971.

On the Economics of Mass Demonstrations: A Case Study of the November March on Washington," with Charles J. Cicchetti, Robert H. Haveman, and Jack L. Knetsch, American Economic Review, September, 1971.

"Air Pollution and Property Values: A Methodological Comment," Review of Economics and Statistics, November, 1971.

"Residuals Charges for Pollution Control: A Policy Evaluation," with Robert H. Haveman, Science, July 18, 1972.

"Clean Rhetoric and Dirty Water," with Robert H. Haveman, The Public Interest, Summer, 1972.

"Spatial Equilibrium, the Theory of Rents, and the Measurement of Benefits from Public Programs: A Comment," Quarterly Journal of Economics (August, 1975).

"On Estimating Air Pollution Control Benefits from Land Value Studies," Journal of Environmental Economics and Management, 1974.

"Air Pollution and Property Values: A Further Comment," Review of Economics and Statistics, November, 1974.

"Congestion, Quality Deterioration, and Heterogeneous Tastes," with Robert H. Haveman, Journal of Public Economics, 1977.

"A Short Argument in Favor of Discounting Intergenerational Effects," Futures, October, 1977.

"Mixed Goods and Option Demand: A Comment," Public Finance, 1977.

"Hedonic Prices, Property Values, and Measuring Environmental Benefits: A Survey of the Issues," Scandinavian Journal of Economics, 1979; reprinted in Yoshitsugu Hayashi, Kenneth Button and Peter Nijkamp: eds.; Environmental Analysis and Economic Policy: The Environment and Transportation, Edward Elgar, Cheltenham, UK, 1999.

"The Economic Value of Shoreline: A Comment," Review of Economics and Statistics, November, 1979.

"Land Prices Substantially Underestimate the Value of Environmental Quality: A Comment," Review of Economics and Statistics, February, 1980.

"Approaches to Measuring Public Goods, Demands," American Journal of Agricultural Economics, Proceedings, December, 1979.

"Technology Based Effluent Standards: The U.S. Case," Water Resources Research, February, 1980.

"On the Sign and Size of Option Value," Land Economics, February, 1984.

"Depletable Externalities and Pigouvian Taxation," Journal of Environmental Economics and Management, June, 1984. Reprinted in David Campbell and Robert Lee, eds., The International Library of Essays in Environmental Law, Ashgate, 2005.

"The Quasi-Option Value of Irreversible Development," Journal of Environmental Economics and Management, September, 1984.

"The Sign and Size of Option Value: Reply," Land Economics, February, 1985.

"Supply Uncertainty, Option Price, and Option Value," Land Economics, May, 1985.

"Reply," Journal of Environmental Economics and Management, September, 1988.

"Introduction: Economic and Political Issues in Risk Analysis," with Michael E. Kraft, Risk Analysis, September, 1989.

"Ex Ante and Ex Post Values for Changes in Risk," Risk Analysis, September, 1989.

"Measuring the Welfare Values of Productivity Changes," with Winston Harrington, Southern Economic Journal, April, 1990.

"Factorial Survey Methods and Willingness to Pay for Housing Characteristics: A Comment," Journal of Environmental Economics and Management, January, 1991.

"Indirect Methods for Valuing Changes in Environmental Risks with Non-Expected Utility Preferences," Journal of Risk and Uncertainty, April 1991.

"Welfare Measurement and the Benefit-Cost Analysis of Projects Affecting Risks," Southern Economic Journal, July 1991.

"Valuing Environmental Resources Under Alternative Management Regimes," Ecological Economics, 1991.

"Optimal 'Adders' for Environmental Damage by Public Utilities," with Dallas Burtraw, Winston Harrington, and Alan J. Krupnick, Journal of Environmental Economics and Management, November, 1995.

"The Benefits of Water Quality Improvements for Marine Recreation: A Review of the Empirical Evidence," Marine Resource Economics, Winter, 1995.

"Estimating the Environmental Costs of Electricity: An Overview and Review of the Issues," Resource and Energy Economics, November, 1996.

"On Measuring Economic Values for Nature," with Nancy E. Bockstael, Raymond J. Kopp, Paul R. Portney, and V. Kerry Smith, Environmental Science and Technology, April 1, 2001.

"Environmental Policy Since Earth Day I: What Have We Gained?" Journal of Economic Perspectives, Winter, 2002; reprinted in Robert N. Stavins, ed., Economics of the Environment: Selected Readings, W. W. Norton, 2005.

"Environmental Policy Since Earth Day I: What Do We Know About the Benefits and Costs?" Agricultural and Resource Economics Review, 2002.

"Valuing Environmental Health Effects: An Economic Perspective," Environmental and Resource Economics, 2006.

"The Role of Economics in Industrial Ecology: A Comment on Desrochers and Boons," in Journal of Industrial Ecology, 2010. Vol. 14, no. 6.

PAPERS IN EDITED VOLUMES:

"Project Design and Evaluation with Multiple Objectives," The Analysis and Evaluation of Public Expenditures: The PPB System, a Compendium of Papers submitted to the Joint Economic Committee of the U.S. Congress, 91st Congress, 1st Session, May 29, 1969; reprinted in Public Expenditures and Policy Analysis, Julius Margolis and Robert H. Haveman, eds., Markham Publishing Co., Chicago, 1970.

"Grants and Environmental Policy," in Kenneth E. Boulding and Martin Pfaff, eds., Transfers in an Urbanized Economy, Wadsworth, 1972.

"The Distribution of Environmental Quality," in Allen V. Kneese and Blair T. Bower, eds., Environmental Quality Analysis: Theory and Method in the Social Sciences, 1972.

"Observations on the Economics of Irreplaceable Assets," with John V. Krutilla, Charles J. Cicchetti, and Clifford S. Russell, in Allen V. Kneese and Blair T. Bower, eds., Environmental Quality Analysis: Theory and Method in the Social Sciences, 1972.

"Economic Incentives and Environmental Quality," with Robert H. Haveman, Proceedings of the 64th Annual Conference of the National Tax Association, Columbus, Ohio, 1972.

"Economic Incentives and Water Pollution Control," The Costs of Pollution Control: A National Symposium, North Carolina State University, 1972.

"Income Distribution and Environmental Quality," in Alain C. Enthoven and A. Myrick Freeman III, eds., Pollution, Resources, and the Environment--A Book of Readings, New York: W.W. Norton & Co., 1973.

"The Trans-Alaska Pipeline: An Economic Analysis of Alternatives," with Charles J. Cicchetti, in Alain C. Enthoven and A. Myrick Freeman III, eds., Pollution, Resources, and the Environment--A Book of Readings, New York: W.W. Norton & Co., 1973.

"A Survey of the Techniques for Measuring the Benefits of Water Quality Improvement," in Henry Peskin and Eugene Seskin, eds., Cost-Benefit Analysis and Water Pollution Policy, Urban Institute, 1975.

"On Taxes and Subsidies to Affect Energy Consumption: Efficiency and Equity Considerations," in The Northeastern States Confront the Energy Crisis, Proceedings of a conference on the Regional Response to the Energy Crisis, December, 1974.

"On the Incidence of Automotive Air Pollution Control Costs," Benefit Cost and Policy Analysis--1974, edited by Richard Zeckhauser, et al., Aldine Press, 1975.

"The Hedonic Price Approach to Measuring the Demand for Neighborhood Characteristics," in David Segal, ed., The Economics of Neighborhood, Academic Press, 1979.

- "Air and Water Pollution Policy," in Paul Portney, editor, Current Issues in U.S. Environmental Policy, Johns Hopkins University Press, 1978.
- "The Incidence of the Costs of Controlling Automotive Air Pollution," in F. Thomas Juster, ed., The Distribution of Economic Well-Being, National Bureau of Economic Research, Conference on Research in Income and Wealth, Ballinger, 1977.
- "On Measuring Public Goods Demands from Market Data," in V. Kerry Smith, ed., Advances in Applied Microeconomics, JAI Press, 1981.

"Externalities, Prices, and Taxes: Second Best Issues in Transportation," in David L. Greene and Donald W. Jones, eds., Measuring the Full Social Costs and Benefits of Transportation, 1997.

"On Valuing the Services and Functions of Ecosystems" in R. David Simpson and Norman Christensen, eds., Ecosystem Function and Human Activities: Reconciling Economics and Ecology, 1997.

"Some Environmental Economics," in Dale Jamieson, ed., A Companion to Environmental Philosophy, Blackwell, 2000.

"Economics, Incentives, and Environmental Regulation," in Norman Vig and Michael E. Kraft, eds., Environmental Policy: New Directions for the 21st Century, 4th Ed., CQ Press, 2000.

"Water Pollution Policy," in Paul R. Portney and Robert Stavins, eds., Public Policies for Environmental Protection, 2nd ed., Resources for the Future, 2000.

"Economics, Incentives, and Environmental Regulation," in Norman Vig and Michael E. Kraft, eds., Environmental Policy: New Directions for the 21st Century, 5th Ed., CQ Press, 2003

"Economic Valuation: What and Why," in Kevin Boyle and Patricia Champ, eds., A Primer on Nonmarket Valuation, Kluwer Academic Publishers, 2003.

"Welfare Theory and Valuation," with Nancy E. Bockstael in Karl-Goran Maler and Jeffrey Vincent, eds., Handbook of Environmental Economics, Vol. II, Valuing Environmental Changes, Elsevier, 2005.

"Economics, Incentives, and Environmental Regulation," in Norman Vig and Michael E. Kraft, eds., Environmental Policy: New Directions for the 21st Century, 6th Ed., CQ Press, 2006.

"Counting the Wealth of Nature: An Overview of Ecosystem Valuation," with Timothy Fitzgerald, in Terry Anderson, Laura Huggins, and Thomas Powers, editors, Accounting for Mother Nature: Changing Demands for Her Bounty, Stanford University Press, 2008.

RESEARCH REPORTS:

Evaluation of Adjustment Assistance Programs with Applications for Pollution Control, Environmental Protection Agency, EPA- 600/5-74-029, 1974.
Regulating Chemicals: A Framework for Decision Making, a report prepared for the Organization for Economic Cooperation and Development, May, 1978.

The Benefits of Air and Water Pollution Control: A Review and Synthesis of Recent Estimates, a report prepared for the Council on Environmental Quality, December, 1979.

Valuing Changes in Hazardous Waste Risks: A Contingent Valuation Analysis, with V. Kerry Smith, and William Desvousges, Interim Draft Report to U.S. Environmental Protection Agency, 1985.

The Economics of Valuing Marine Recreation: A Review of the Empirical Evidence, Report to the Office of Policy Planning and Evaluation, U.S. Environmental Protection Agency, 1993.

"Introduction to the Consideration of Externalities in Electricity Resource Selection," with Robert D. Rowe and Mark Thayer, in New York Environmental Externalities Cost Study Report 1: Externalities Screening and Recommendations, December 1993.

"Economic Issues in the Application of Externalities to Electricity Resource Selection," with Robert D. Rowe and Mark Thayer in Victor Niemeyer, ed. Technical Review of Externalities Issues, Electric Power Research Institute, 1994.

"The Economic Benefits of Removing Edwards Dam," prepared for the Kennebec Coalition, May 1995.

"Review and Critique of FERC's Benefit-Cost Analysis for the Edwards Dam Project," prepared for the Kennebec Coalition, March 1996.

"An Analysis of the Pataki Power Plant Proposal vs. Full Environmental Comparability Using the New York Externalities Cost Model," prepared for the Clean Air Task Force, 2001.

Exploring the Role of Cost-Benefit Analysis in Government Regulations, with Drew Laughland, Calvin Franz, Aylin Sertkaya, and Keith D. Lind, AARP Public Policy paper #2007-14, September 2007.

BOOK REVIEWS:

Resources and Man, compiled by the Committee on Resources and Man, National Academy of Sciences--National Research Council, San Francisco, W.H. Freeman & Co., 1969. Reviewed in EOS, Transactions of the American Geophysical Union, May, 1970.

J. Clarence Davies III, The Politics of Pollution, Pegasus, 1970, and John C. Esposito, Vanishing Air: The Ralph Nader Study Group Report on Air Pollution, Grossman, 1970. Reviewed in Natural Resources Journal, April, 1971.

M. W. Jones-Lee, The Value of Life: An Economic Analysis, University of Chicago Press, 1977. Reviewed in Intellect, October 1977.

Thomas M. Power, The Economic Value of the Quality of Life, Westview Press, 1980. Reviewed in Natural Resources Journal, January, 1981.

V. Kerry Smith and William H. Desvousges, Measuring Water Quality Benefits, Kluwer-Nijhoff, 1986. Reviewed in Journal of Economic Literature, March, 1989.

David Pearce and V. Kerry Turner, Economics of Natural Resource and the Environment, Johns Hopkins University Press, 1990. Reviewed in Natural Resources Forum, November, 1990.

Dieter Helm, ed., Economic Policy Towards the Environment, Blackwell, 1991. Reviewed in Natural Resources Forum, May, 1993.

Per-Olov Johansson, Cost-Benefit Analysis of Environmental Change, Cambridge University Press, 1993. Reviewed in Journal of Economics, November, 1994.

Ian Bateman, et al., Economic Valuation with Stated Preferences: A Manual, Edward Elgar, 2002. Reviewed in Environmental and Resource Economics, vol 26, 2003.

PUBLISHED DISCUSSANT'S COMMENTARY:

Universities--National Bureau Committee for Economic Research Conference on Economics of the Environment, November 10-11, 1972, published in Edwin S. Mills, ed., Economic Analysis of Environmental Problems, Columbia University Press, 1975.

American Economic Association/American Agricultural Economic Association, joint session: "Energy Supply and Demand in the U.S.," December 29, 1973, published in American Journal of Agricultural Economics, May, 1974.

Massachusetts Institute of Technology, Conference on Air Pollution and Administrative Control, December 2-3, 1976, published in Anne K. Friedlaender, ed., Approaches to Controlling Air Pollution, MIT Press, 1978.

Resources for the Future, Forum on Applied Public Choice, January 16-17, 1978, published in Clifford S. Russell, ed., Collective Decision Making: Applications from Public Choice Theory, Baltimore: The Johns Hopkins Press, 1979.

University of Washington/National Oceanic and Atmospheric Administration Conference, September 1981, discussion published in Gardner Brown and James Crutchfield, eds., The Economics of Ocean Resources: A Research Agenda, University of Washington Press, in press.

Acid Rain Information Clearinghouse, "Acid Rain: Economic Assessment," December 1984; discussion, published in Paulette Mandelbaum, ed., Acid Rain: Economic Assessment, Plenum, 1985.

First European Community/Organization for Economic Cooperation and Development/International Energy Agency Workshop on the External Costs of Energy, January 1995, published in 1996.

RESEARCH PAPERS:

- "The Environment and the Economy: A Comprehensive View," in Report of the Seminar on Public Policy Issues in Regional Approaches to Environment Control in New England, New England Economic Research Foundation, Boston, 1968.
- "Benefits of Pollution Control," in Critical Review of Estimating Benefits of Air and Water Pollution Control, a report prepared for U.S. Environmental Protection Agency, by Enviro-Control, Inc., April, 1976.
