This is a Release and Indemnification — Read it Very Carefully

I the undersigned, being a student at ___________________________ (school), applying for participation in the Intercollegiate Sri Lanka Education (ISLE) Program, and having the opportunity to gain academic credit through participation in said program, hereby forever release and discharge the ISLE Program, ___________________________ (school), and any officer, employee, director, trustee, servant, representative or agents of either of them of and from any and all liability for any act or omission of any kind or character whatsoever and release them from any costs, damages and claims or assertions of any kind with respect to which I or my heirs, successors or assigns may claim against them, and specifically without limitation agree as follows:

1. The program director has the authority to establish rules necessary for the operation of the program, and should the director decide that any student must be separated from the program because of violation of such rules, for disruptive behavior, or for conduct which could bring the program into disrepute, that decision will be final. Association with, use, or sale of illicit drugs will result in automatic expulsion from the program.

2. Program fees cover educational costs of the program, such as staff salaries. Because these costs are fixed, no tuition refunds will be claimed once participation in the program has begun — i.e. once the group has left the U.S.

3. I release the ISLE Program, any member college, any employee, servant, officer, director, representative, or agent thereof, from any liability for injury to myself or damage to or loss of my possessions caused by acts or omissions of any hotel, restaurant, transport carrier, educational organization, fellow student, person or group, including but not limited to the ISLE Program, its officers, employees, directors, servants, representatives, or agent in connection with the work or study hereunder.

I further agree to indemnify, defend and hold harmless the ISLE Program, ___________________________ (school), their staffs, directors, officers, employees, servants, representatives, trustees and agents from any and all claims of any nature made by me which may arise in any way related to my participation in the ISLE Program.

If any part of this Student Release and Indemnification Agreement is found to be unenforceable by a court of competent jurisdiction, the restrictions herein shall nevertheless remain effective but shall be amended as may be considered to be reasonable by such court, and shall be enforced as so amended.

I have read the foregoing Student Release and Indemnification Agreement in its entirety, and I accept the agreements and conditions stated therein.
