PARENT RELEASE AGREEMENT – ISLE PROGRAM APPLICATION

This is a Release — Read it Very Carefully

I, the undersigned, being a parent/guardian of ____________________________, a student at ____________________________ (school), who has sought and received my permission to participate in the Intercollegiate Sri Lanka Education (ISLE) Program, which I understand will necessitate the travel of my child/ward from the United States to Sri Lanka to participate in said program, hereby release and forever discharge ____________________________ (school) and the ISLE Program, and any officer, director, employee, trustee, servant or representative of either of them of and from any liability to me or my heirs, successors or assigns with respect to any act or omission of any of them in any respect to the participation of my child/ward in the ISLE Program.

I further agree that I will indemnify, defend and hold harmless the ISLE Program, ____________________________ (school), their staffs, directors, officers, employees, servants, representatives and trustees from any claims of any nature made by my child/ward, or by any person including myself on behalf of my child/ward, which may arise in any way related to any activity of ____________________________ (student's name) in participation of the ISLE Program.

I have read and understand the terms and conditions of this indemnification and release, and I agree and subscribe to them. My signature below also signifies that my child/ward has sufficient health, accident, disability and hospitalization insurance to cover her/him during participation in the program and I recognize that none of the fee paid for this program goes toward the payment of such insurance, and that neither the ISLE Program nor ____________________________ (school) has any obligation to provide such insurance.

I further state that I have read the "Student Release Agreement" attached hereto, that has been signed by ____________________________, my child/ward, with my permission, and I agree to be bound by the same terms and conditions as if I myself had signed it.

If any part of this Parent Release Agreement is found to be unenforceable by a court of competent jurisdiction, the restrictions herein shall nevertheless remain effective, but shall be amended as may be considered to be reasonable by such court, and shall be enforced as so amended.
