

### **December 3**

#### Lecture & Book Signing

Speaker: **Todd McLeish**, Science and Nature Writer

Lecture Title: **“Basking with Humpbacks: Tracking Threatened Marine Life in New England Waters”**

Date: Dec. 3

Time: 7:30 pm

Location: Adams Hall, Environmental Studies Program Common Room

Author Todd McLeish will discuss his new book, *Basking with Humpbacks: Tracking Threatened Marine Life in New England Waters* (published in 2009 by the University Press of New England), including the natural history of some of the species described in the book, the science of conservation, the people on the front lines of threatened species research and conservation, and his adventures in the field conducting research for the book (including a trip to the Bowdoin Scientific Station to meet the storm-petrels and storm-petrel researchers of Kent Island).
