Dear Student/Parent:

Auburndale Cleaning Center will once again be offering to Bowdoin students our weekly laundry service as well as the linen and towel rental service for the 2008-2009 academic years. Despite costs of doing business in today's economy having increased by 10-15%, we have limited our price increase for this service to only 3%. However, to offset this difference, we are forced to reduce the number of days we'll be on campus to four days and possibly three should our costs continue to soar. This decision was a difficult one to make after having offered the five day schedule for nearly a quarter of a century. If the economy turns around, we will gladly return to the five day schedule.

For added convenience for everyone on campus, we offer dry cleaning and shirt laundry (pressed, on hangers or folded) at competitive rates, with the added bonus of drop-off and pick-up at the van, located on campus four afternoons a week during the regular class schedule. You can sign up for the laundry or linen service by mail or at freshman orientation on August 26th & 30th or at the van when on campus.

PERSONAL LAUNDRY SERVICE--- Starting Sept. 2nd, our van will be on campus to distribute one 19" x 30" nylon bag to each student enrolled in our service. One bag of this size (approx. 16 to 18lbs.) has proven sufficient for individuals (not friends or roommates) dropping off laundry or using services on a weekly basis. The van will be on campus during the regular session every Monday, Tuesday, Thursday and Friday afternoons weather permitting as follows:

- 2:30-2:50 front of Maine and Appleton Halls
- 2:50-3:20 front of Moulton Union
- 3:25-4:00 beside Coles Tower and Chamberlain Hall
- 4:00-4:30 near Howard Hall and Stove Hall

PLEASE SAVE SCHEDULE FOR STOP TIMES AND PLACES

To avoid confusion and maintain our high standard of quality, lights and darks are separated, and each student's laundry will be washed, dried, and folded separately and then returned to its numbered bag to be returned to the student the following day. Laundry lists are provided for use by the students and are recommended. Marking clothes is also highly recommended.

LINEN & TOWEL RENTAL SERVICE: ---- Also during the first week of school (or during orientation for freshmen), students enrolled in the linen rental service will pick up 1 fitted and 1 flat sheet, two bath towels, and one pillow case. A separate bag will be used for this service and may be picked up at the van at the above times and locations. Linens may be returned to the van once a week in exchange for fresh linen that is on the van at all times.

After many years of offering this service to the Bowdoin community, we find it very satisfying to know that many of last year's graduating seniors were enrolled in our service for all years spent at Bowdoin. We hope you will consider joining their ranks. If for any reason you wish to cancel the laundry and/or linen service, you must mail a written request for a refund to the 786 Center Street, Auburn, Maine 04210 location postmarked no later than September 25th. Your refund, minus a $50.00 handling charge, will be sent to your home by the end of the first semester.

If you have any questions, please direct them to Leo, Missy or Sandy at (207) 782-9389 Monday thru Friday. Thank you for your business and we look forward to seeing you in the fall.

Sincerely,

Leo and Jackie Guay
