The information you supply on this Form will be used by the Residential Life Office when making roommate and housing assignments. Your answers will be used to place you in general groupings and match you with your mentor pairs in your affiliate House. Roommates then will be matched on careful individual assessments. After assignments are completed this summer, you will be sent your roommates’ names and addresses as well as information about your room, residence hall, and College House affiliation. Your honesty on this form is extremely important to create successful roommate assignments.
