

Spring 2007 Courses

Information as of 4/20/2007 12:48:22 PM

ABOUT COURSE NUMBERS: The first three digits are the course numbers. If a letter follows them, the letter is the section of the course, and you must include it on your registration card. If you skip the letter, you will not be registered for the course.

ABOUT REQUIREMENT DESIGNATIONS: Distribution and division requirement designations are noted by the letters that appear in parenthesis ().

Division requirements:

- (a) Natural Science and Mathematics
- (b) Social and Behavioral Science
- (c) Humanities
- (d) Non-Eurocentric [applies to Class Years 2009 and earlier]

Distribution requirements [apply to Class Years 2010 and later]:

(MCSR) Mathematical, Computational, or Statistical Reasoning (INS) Inquiry in the Natural Sciences (ESD) Exploring Social Differences (IP) International Perspectives (VPA) Visual and Performing Arts

ABOUT FIRST-YEAR SEMINARS: First-year seminars are courses numbered under 30.

ABOUT LABS: If one lab section follows a course, you will automatically be enrolled in the lab along with the course. If multiple lab sections follow a course, you must choose one of the labs during registration; you must be enrolled in one of the lab sections in order to be enrolled in the course.

ABOUT INDEPENDENT STUDIES/HONORS PROJECTS: Some departments require scheduled group meeting times for students doing independent studies and/or honors projects. Please consult the department and/or Bearings for this information.
