SPRING BREAK 2012 CLOSING NOTICE

Residence halls close at 12:00 noon on Saturday, March 10, 2012 for Spring Break. Remaining on campus during Spring Break or returning to campus prior to Saturday, March 24, 2012, (the date residences re-open), without permission from the Office of Residential Life is a violation of College policy and will be handled as such. Please take a few minutes to read the information. During Spring Break all College policies are in effect; parties are not permitted on campus during break period.

Break Housing -- The College recognizes that because of pressing academic work, athletic commitments or travel distances, some students must remain on campus during scheduled break periods. If you must be on campus during all or any part of Spring Break, you are required to complete a Break Housing Request Form by March 7, 2012. This form is available on-line on the Residential Life website: http://www.bowdoin.edu/reslife/requests. Please read the information carefully and comply with the deadline. If you have questions or concerns please contact the Office of Residential Life.

Security and Safety Concerns -- Safety and Security and/or Facilities Management may enter student rooms over break to secure buildings and/or provide routine maintenance. Any obvious policy violations will be written up in a Security report.

As students leave campus, those remaining become more isolated. If you are staying on campus during Spring Break, we suggest that you take the following precautions for your personal safety:

- Lock your door at all times, regardless of whether you are in or out.
- Do not go out alone at night, if possible.
- Report all suspicious people and suspicious activity to Security @ x3314.
- Read all Security Notices posted in your building and on campus.
- Do not leave valuables in your room; if possible take them with you.
- Notify your family members and friends of your travel plans, mode of transportation and the route you are going to take if you are driving. If your plans change significantly, promptly notify your family and friends of when to expect you.
- Make sure you have money for gas and tolls. Do not pick up strangers when driving home.
- Stop at places where there are many people and which are well lit.

Parking -- All parking rules are enforced during the Break.

Dining -- Meal plans are not in effect during Spring Break. For more information on dining hall hours and dates, as well as the Smith Union dining operation hours please check the Dining Service web site after February 27 at http://www.bowdoin.edu/dining/.
