

SSAC Minutes
January, 6 2011

Members present: Staci Lemont, Stella Crooker, Kay McCarthy, Mike Grim and David Burgess

- Rodie Lloyd emailed Staci again asking if someone from the SSAC would make posters for the BAS Speaker Series. Again there were no takers...
- Staci presented two new Spring Fling ideas from Kathy Baribeau and Noma Petroff. They were both a big hit with the Committee. We also came up with lots of other Spring Fling ideas to add to the list.
 - Beer Making – Mike
 - Gluten Free Food – Stella
 - Holistic Medicine – Stella
 - Wood Toy Making – David
 - Zumba – Stella
 - Motorcycle Maint. – Stella
- Spring Fling merchant letters were given out so let the donation requests begin. If a merchant would like to mail in the donation please feel free to give them your Bowdoin Mailing address attn. YOU!
- We discussed the start time for the Welcome Breakfast and the first classes. Last year the welcome breakfast was 7:30-8:45 and classes started at 9. In hearing from some office staff this doesn't give them a chance to get there before all the "goodies" are gone. If we have it from 8:30-9:30 and have classes start at 9 or 9:30 then everyone can enjoy...
- Lunch will 11:30-1 as usual with Dining services choosing the menu.
