

SSAC Minutes  
December 2, 2010

Members present: Staci Lemont, Stella Crooker, Susan Snell, Kay McCarthy and David Burgess

- Staci recently received an email from Rodie Lloyd of the BAS asking for SSAC suggestions on other ways of getting the word out about their “speaker series” other than the F/S Digest which the BAS is already doing. The Committee discussed this in length and recommends posting eye catching flyers with several of the upcoming dates on it at each time clock. Possibly having different colors switched around each month to keep it from getting “old”. Also, have a BAS member speak briefly about the series at staff meetings.
- Since we are losing Sue Burt to retirement at the end of December the committee will be trying to recruit a replacement. Staci will be sending an email to all Support Staff excluding Housekeeping, Dining and Grounds... Security, Library, Academic Coordinators, HR, Federal St Offices... \*\*\*On the way out of the meeting Staci ran into Leslie Nuccio and asked if she would be interested in joining the committee again and she agreed. ☺
- Staci was given FULL go ahead to makeover the SSAC website. We discussed the fact that it has been ignored and the SSAC has sort of fallen to the wayside in the eyes of the Support Staff. We feel that most support staff are unaware we exist and what our primary reason for being is e.g. to advocate for them and act as a liaison to Administrative staff. We will discuss further how we can change.
- Lots of ideas for the 2011 Spring Fling. We will begin requesting donations early this year. We discussed who to solicit for donations and agreed that all merchants are fair game. Staci will have the letter retyped and ready to hand out at the next meeting. As for classes, we will offer most of what we offered last year and then some. Trying to get the more popular/limited attendance classes in both the AM & PM. Some new ideas include: Oreo Cookie Balls by Joyce Whittemore (Kay), Organic Gardening by Kathryn Creswell (David), More Crafts e.g. Painting, Pottery, etc... by Lonnie Ellis (David), Wii Bowling Tournament by Stella and Kay. ☺  
\*2011 MSMT Shows include: *The Marvelous Wonderettes, Annie and Xanadu*. A 4<sup>th</sup> show is still in negotiations.
