

**SSAC MINUTES
MAY 4, 2010**

Members present: Mike Grim, Steve Bunn, Emily Briley, Tama Spoerri, David Burgess, Debbie Haley, Susan Burttt and Patty Silevinac

NEW COMMITTEES MEMBERS FOR 2010-11

New members will be needed to complete the following committees:

Multi-Cultural Affairs

Sexual & Gender Diversity

Benefits Advisory

Support Staff Advisory

Cindy Bessmer or Tama will inform us how many members are needed for each committee, and we can then vote by email on who we would like to place on each committee. Steve Bunn volunteered to serve on the Benefits Advisory committee, and Emily Briley also expressed interest.

We need to recruit new members for the SSAC; it would be helpful to add staff to represent other departments such as Sports, Admissions, and Development.

FACULTY & STAFF PICNIC

This year's BBQ is on Wednesday, June 16th, from 11:30-1:30. Tama will confirm at a later date whether or not employees will receive a half-day off after the picnic.

We are searching for a DJ for the event. Patty will ask Chris Derbyshire if he is available for the day. Elmer will be our MC. We will also need volunteers to do some work the day of the picnic.

Red Sox tickets will be the grand prize; other prizes will be purchased from businesses who were kind enough to donate to our Spring Fling event.

This year, we will be collecting donations for the Brunswick Coastal Humane Society and the Bath "Paw in the Door" program. Sue Burttt will contact the Humane Society and Patty will contact Paw in the Door to see what donations are needed. This information will be relayed to faculty & staff. On the day of the picnic, anyone bringing a donation for these organizations will receive one extra prize ticket. Although any students working for the college at the time of the picnic are welcome to attend, only benefits-eligible employees can win prizes.

NEXT MEETING

We will have one more meeting—June 1st, before the picnic.

**Respectfully submitted,
Patty Silevinac, Co-Chair**
