

ADMINISTRATIVE MANAGER

# BETH LEVESQUE

## PROFESSIONAL DUTIES

- Office management
- 
- Provide support for First-year Deans and the Orientation Program
- Provide Support for Multicultural Student Programs and the Host Family Program

## HOMETOWN

Crystal Lake, Connecticut

## EDUCATION

I graduated from Ellington High School in Connecticut and have continued to take courses at Bowdoin, the University of Southern Maine, and New Hampshire College.

## BACKGROUND

I grew up in a quiet lake-front Connecticut community where my parents ran the local snack bar and printed the local newspaper. I hold fond memories of idyllic seasons swimming, roller skating, and ice skating. I have worked at Bowdoin for over twenty years in various offices, Dining Service, IT, Sociology/Anthropology, and the Dean's Office. Part of my career was spent with Portland Glass, where I served as Senior Training Specialist, assisting with expansion and customer service training. I enjoy gardening, walking, reading, catering with my husband, and following the culinary careers of my two sons.
