## EDUCATION

I earned an A.B. in History from Bowdoin in 2002 and more recently completed my Masters in Higher Education Administration through Drexel University in 2008.

## BACKGROUND

I grew up in Colchester, Vermont where both of my parents were public school teachers. I attended High School about 15 Minutes away in South Burlington at Rice Memorial High School, and graduated in 1998. After graduating from Bowdoin in 2002 I spent a year as an AmeriCorps\* VISTA coordinating community service programs in what is now the McKeen Center for the Common Good. In 2003 I was hired as an Assistant Football and Assistant Strength and Conditioning Coach at Bowdoin and had served in that role for the past 5 years. In my spare time I like to snowboard, play any recreational sport possible, workout, and read among other things, and I am looking forward to hopefully teaching myself how to play the guitar.
