Phone Services

**AT&T Wireless**

**FOR NEW SERVICE:** Employees signing up for new service will receive a minimum equipment discount of 20%, or promotional pricing, whichever is better. Employees will receive instant rebates so they don't need to send a rebate in for the discount. Employees also get 10% bonus minutes on local plans. Please contact Bowdoin’s AT&T Wireless employee personal account representative, Selena Cummings at 671-3071, for more information.

Employees can go to any AT&T Wireless store (not a dealer but a store owned by AT&T Wireless—like the one at Cook’s Corner) to set up new service. You will need to bring your Bowdoin College Employee ID with you for verification. You will also need to provide the following account numbers to the AT&T Wireless representative: The foundation account number (or FAN for short) for employees is 34860 for TDMA phones and 37075 for GSM phones. (The AT&T Wireless representative will help you determine whether your phone is/will be TDMA or GSM). You can speak to a representative at the AT&T Wireless store located at Cook’s Corner at: 725-7210.

**FOR EMPLOYEES WITH EXISTING AT&T WIRELESS SERVICE:** If an existing AT&T Wireless user is not attached to the FAN and would like to get the bonus minutes, please contact Bowdoin’s AT&T Wireless employee personal account representative Selena Cummings at 671-3071 for more information or call 800-999-5445, select options 3, 1, 2 and give the representative the appropriate FAN (listed above) and identification as being an employee of Bowdoin College. (The AT&T Wireless representative will help you determine whether your phone is/will be TDMA or GSM.)

**STC Personal On-Campus Calling Service**

Bowdoin has negotiated excellent long distance calling rates and extends these low rates to its employees. The flat rate for long distance calling is 5.5 cents per minute, excluding international calling. To utilize this great rate, simply dial 9, then enter your personal identification number, starting with 4, and then dial the number. You will be billed 5.5 cents per minute for your personal long distance calling and your personal invoice will be mailed directly to your home address.

Recent billing improvements will preclude employees from receiving an invoice until their account balance is greater than $5.00. For questions about international long distance rates, or other account information, STC can be reached by calling extension 6377 from a campus phone.
