Take a look.
Artificial Intelligence in the World

AI algorithms are touted as being without bias, and claims are made that artificial intelligence regularly outperforms humans on a wide variety of tasks. **The truth—and its impact on the world—is far more complex.**

Ocean and Climate

Using weekly laboratory sessions and on-site data gathering in the Gulf of Maine, the patterns of natural climate variations are explored with the goal of **understanding historic climate change observations.**

Digital and Computational Studies 2470

**Artificial Intelligence in the World**

AI algorithms are touted as being without bias, and claims are made that artificial intelligence regularly outperforms humans on a wide variety of tasks. **The truth—and its impact on the world—is far more complex.**

History 3240

**A History of the Present**

This course tells the history of the present by exploring three questions. First, how do you write the history of your own time? Second, who can write this history? And third, what exactly do we mean by our time?
Now, take a breath.

Bowdoin is committed to meeting the **full financial need** of every student we admit, **without using loans in our aid packages**.

We are **one of only seven colleges** in the US that is **need-blind for every applicant**.

**Your opportunity to be admitted to Bowdoin will never depend on your ability to pay for it.**

---

**50%**

of all Bowdoin students receive financial aid.

**22%**

of all Bowdoin students receive **full aid**: meaning $0 parent and $0 student contributions.

**$62,350**

The average financial aid package for students, per academic year.

---

Bowdoin scholarships are awarded based on each student’s determined level of need.

Your student aid award is calculated to include tuition, room, board, and a budget for **indirect costs**—to help you cover things like personal expenses, books, and travel.

“No-loan” means that all of our student aid packages consist of grants and scholarships that **never need to be repaid**.

---

**One more thing.**

(Or three things, actually.)

To ensure that everyone starts off on the right foot, Bowdoin’s Digital Excellence Commitment gives every Bowdoin student a MacBook Pro, an iPad mini, and an Apple Pencil—all loaded with software—and **yours to keep upon graduation**.

AFTER GRADUATION

Graduate schools enrolling the largest number of Bowdoin alumni:

- Boston University
- Columbia University
- Harvard University
- Johns Hopkins University
- Massachusetts Institute of Technology
- New York University
- Stanford University
- University of Chicago
- University of Pennsylvania
- Yale University

Employers of recent Bowdoin graduates:

- Barclays Bank
- Dana-Farber Cancer Institute
- Fulbright
- Google
- Massachusetts General Hospital
- Microsoft
- Morgan Stanley
- Liberty Mutual
- Okta
- Peace Corps
- US Foreign Service
- US Government

INCOMING CLASS AT A GLANCE

- 53% women, 45% men, 2% another identity (including nonbinary)
- 69% from outside of New England
- 42% students of color
- 11% international background*
- 9% Maine residents
- 17% first generation to earn a four-year degree
- 14 states with ten or more students (CA, CT, FL, IL, MA, MD, ME, NH, NJ, NY, PA, TX, VA, WA)

* Home or school address or primary citizenship is non-US.

BOWDOIN WAS THE FIRST TEST-OPTIONAL COLLEGE IN THE COUNTRY

1969

The year that Bowdoin eliminated standardized testing requirements. (Also the year of the moon landing.)

46%

of the most recent incoming class chose not to submit test scores.
Take a closer look.

There are many ways to get to know Bowdoin, both in person and virtually. Check out upcoming campus tours, interview schedules, and online sessions at bowdoin.edu/visit.

Bowdoin College is a historic, selective liberal arts college, founded in service of the common good. Home to roughly 2,000 students in beautiful midcoast Maine, Bowdoin is proof that if you give smart, curious young people access to one of the best educations on earth, they will use it to create good in the world.

Our students come from a wide array of backgrounds, experiences, and locations. They have diverse viewpoints and different interests, but each August they all bring the same two things with them to Bowdoin: kindness and an open mind.

APPLICATION INFORMATION

Bowdoin accepts the Common App and Coalition on Scoir, and we are a QuestBridge partner.

Early Decision 1: November 15
Early Decision 2: January 5
Regular Decision: January 5
