

BOWDOIN

The trip is on us.

There is a lot to discover about our vibrant college on the coast of Maine.

We invite you to experience Bowdoin (bo-dun) for yourself. Spend a few days on campus—stay with students, attend classes, meet professors, eat in the dining halls, check out student clubs—and learn about the admissions process and financial aid.

If you are a low-income or first-generation-to-college member of the Class of 2026, the Explore Bowdoin program is for you.

Bowdoin handles all of the logistics and covers the cost of your trip—you just need to apply!

Bowdoin is a nationally recognized, need-blind liberal arts college founded and endowed to benefit the common good. We meet the full calculated need of every admitted student with need-based scholarships, not loans.
