

# A Full Deck!

Kayakers need to have important equipment in easy reach when they paddle. Look how carefully organized it is!

Unidentified Inuk Artist, *Model Kayak*, West Greenland, 20th century. Skin, wood, and ivory. Gift of Donald and Miriam Macmillan.

**Use the photograph to figure out the purpose of each piece of kayak equipment described below. Write your answers in the space provided. You can check your answers on the bottom of the page.**

- |   |  |
|---|--|
| 1. Used to propel the kayak through the water:    | 6. A long, pointed weapon used to quickly kill a harpooned animal:                   |
| 2. Used to knock ice off the kayak and equipment: | 7. Slows down a harpooned animal and allows a hunter to track it:                    |
| 3. A long, heavy weapon used to hunt sea mammals: | 8. Made from long strips of seal hide, this keeps the harpoon attached to the float: |
| 4. Keeps water out of the kayak:                  | 9. Holds the harpoon line and prevents it from getting tangled:                      |
| 5. A long, barbed weapon used to hunt birds:      |  |

1: paddle; 2: ice scraper; 3: harpoon; 4: spray skirt; 5: bird spear; 6: lance; 7: float; 8: harpoon line; 9: harpoon line rack
