

BOWDOIN COLLEGE MUSEUM OF ART APPLICATION FOR STUDENT TRANSPORTATION

Applications for the 2017–2018 academic year will be accepted and reviewed on a rolling basis. The Museum will prioritize transportation funding for student groups whose access to resources may otherwise prohibit their ability to visit the Bowdoin College Museum of Art. Early submission of applications is highly encouraged, as funding is limited and the Museum cannot guarantee assistance to all applicants. The funding will be dispersed as applications are received. Please submit your application electronically to Honor Wilkinson, Curatorial Assistant & Manager of Student Programs, at hwilkins@bowdoin.edu. If you have any questions about the application process, please call (207) 721-5098.
