Time Management - Webinar: Planning out your week!
Friday, September 18, 1-2 pm EST

Do you have a history of procrastinating? Want to develop more effective time management strategies? Do you need some hands-on tips on how to create a weekly schedule?

This online workshop will share strategies for creating a weekly schedule and other time management tips. Sign up here for a 1-hour interactive webinar with Tina Chong, Assistant Director of the Baldwin CLT. Please register before Thursday, September 17, 6pm.
