

## 2024 Coles/Littlefield/Mayo Summer Research Fellowships in Chemistry

**DUE: Noon, February 27, 2024**

Please submit a completed departmental version to Professor Ben Gorske ([bgorske@bowdoin.edu](mailto:bgorske@bowdoin.edu)) and CC Lori Brackett ([lbracket@bowdoin.edu](mailto:lbracket@bowdoin.edu))

Name:

Class Year:

Bowdoin Email:

Phone:

Smith Union Mailbox #:

Home Mailing Address:

Academic Major or Intended Major:

Academic Minor:

Proposed Project Title:

Proposed # of weeks (8-10):

Please list relevant science and math courses you have taken at the College level, as well as those in which you are currently enrolled. Also note if you received AP credit for any others not listed.

In the space below, provide information regarding the conversation with your proposed faculty mentor about the specific project that interests you.

On a separate page, please provide a statement that explains your interest in doing research in the Chemistry Department this summer and how you expect that this experience will influence your career. You may want to discuss how each of the projects indicated above will impact you. Please also provide a printout from Polaris of your academic transcripts.

*Thank you for considering working in the chemistry department this summer!*
