

Bowdoin

SCHILLER COASTAL STUDIES CENTER

Join the Schiller Coastal Studies Center's staff, faculty, and students to celebrate our new facility and our community!

Sunday, November 13, 2022
1:00 p.m.–4:00 p.m.

- Visit with Bowdoin students conducting research at the center and learn about their passion for this special place.
- Explore the center's 3.5-mile trail system.
- Tour the facility, including the Marine Lab, Dry Lab, and Living and Learning Center, where there will be cider, warm drinks, and snacks.
- Share your coastal concerns and ideas for how the Schiller Coastal Studies Center can be a partner with our neighbors to support healthy environments, communities, and economies.

Contact Director of the Schiller Coastal Studies Center Holly Parker at h.parker@bowdoin.edu for more information.
