Environmental Studies Coordinate Major Planning Form

The environmental studies coordinate major consists of eight credits detailed below. Students also have a disciplinary major in an academic department, e.g. Biology, or Economics or an academic program**,** e.g. Asian studies.

Beyond the five required courses (four core courses and one advanced seminar), students select three ENVS courses linked by a cohesive theme. With Environmental Studies program approval, one off-campus study course, and one semester of ENVS independent study or honors work may be used to fulfill the ES theme requirement for the ENVS major.

Please complete the section below, including the three ES courses you plan to take.

Courses planned to be applied as your ES theme:

1.

2.

3.

Check below after discussion with your advisor:

___ **Summer Fellowships:** Do you know about these opportunities, do you plan to apply?

___ **Study Away Opportunities for ES Majors:** Do you plan to study away, if so where & when?

___ **ES Honors:** Do you understand the process and timeline for ES independent study and ES Honors?

___ **Academic Progress, Workday: Does degree progress agree with your major plans?** If not please confer with your ES advisor.

Double counting cross-listed courses: ES coordinate majors *may double-count up to 3 cross-listed courses (*see the website for details: https://www.bowdoin.edu/registrar/students/completing-degree/index.html).

***AP Credit**: Students with a score of five on the Environmental Science AP exam can earn one general credit if the student completes ENVS 2201 Perspectives in Environmental Science with a minimum grade of B-. To receive credit for advanced placement work, students must have their scores officially reported to the Office of the Registrar by the end of their sophomore year at Bowdoin.

Grades: students must obtain a minimum grade course grade of C- to receive credit toward the major. Students may not count Credit/D/Fail courses toward the major.

Name: **Year:** **Coordinate Major:** **ES Faculty Advisor:**
