

Bowdoin College Health Services Request for Provisional Admittance

Dear Student,

All Bowdoin students must comply with Maine Immunization Law as well as requirements put in place by the college. Incoming students should make every effort to arrive at Bowdoin fully immunized.

Please submit your immunization records by the June 20th deadline.

If you are missing immunizations, you should also submit this form.

When you receive your missing immunizations please upload documentation promptly.

Immunizations will be given “upon arrival” only for:

1. International students who cannot obtain certain vaccines at home.
2. Students who have pending immunizations due to the CDC vaccine schedule.
3. Students who have reached out to Health Services with extenuating circumstances.

All communication regarding health forms should be sent via *secure message* within the Student Health Portal.
