I have been identified as a CLOSE CONTACT of someone who has tested positive for COVID-19. Now what?

Are you fully vaccinated and boosted?*

YES!

Have you completed your primary series of Pfizer or Moderna vaccine WITHIN the last 5 months

OR

completed the primary series of J & J vaccine WITHIN the last 2 months?

AND

you have received a BOOSTER dose?

YES

NO

NO QUARANTINE

You can continue to work and test on DAY 5. If Day 5 is a Mon or Thurs you can PCR test at Farley between 8:00 am—4:00 pm. You also can antigen test at the South entrance of Farley Field House, Mon—Fri between 11:00 am—1:00 pm.

Wear a mask around others for 10 days.

* IMPORTANT!! If you develop symptoms, stay home, isolate, get tested, and contact your primary care physician. If symptoms persist more than 3 days, contact Mary Cote (mcote@bowdoin.edu).

NO

Are you fully vaccinated but NOT boosted?*

YES

Have you completed your primary series of Pfizer or Moderna vaccine MORE THAN 5 months ago

OR

completed the primary series of J & J vaccine MORE THAN 2 months ago?

BUT

You have not had a booster shot yet

QUARANTINE

Stay home for 5 days.

Test after 5 days. If Day 6 is a Mon or Thurs you can PCR test at Farley between 8:00 am—4:00 pm. You also can antigen test at the South entrance of Farley Field House, Mon—Fri between 11:00 am—1:00 pm.

If your test is NEGATIVE, you may return to work.

Continue to wear a mask around others for an additional 5 days.

NO

Are you partially vaccinated or unvaccinated?*

YES

NO QUARANTINE

You can continue to work and test on DAY 5. If Day 5 is a Mon or Thurs you can PCR test at Farley between 8:00 am—4:00 pm. You also can antigen test at the South entrance of Farley Field House, Mon—Fri between 11:00 am—1:00 pm.

Wear a mask around others for 10 days.

* IMPORTANT!! If you develop symptoms, stay home, isolate, get tested, and contact your primary care physician. If symptoms persist more than 3 days, contact Mary Cote (mcote@bowdoin.edu).
