HOW TO HANDLE COVID-19 SITUATIONS FOR VACCINATED EMPLOYEES

EMPLOYEE IS ILL WITH COVID-LIKE SYMPTOMS

- fever/chills
- body aches
- sore throat
- new cough/cold symptoms
- fatigue
- nausea, vomiting/diarrhea
- difficulty breathing/shortness of breath

Symptoms (even if mild) that are unexplained or different from symptoms experienced with known health conditions

1. Stay home!
2. Contact manager
3. Use two home antigen tests
   - one at onset of symptoms AND one 36 hrs after first test
   - if you do not have any extra antigen test kits, do NOT come to campus to pick one up at the mailroom. Contact your doctor to arrange testing.
4. If both tests are NEGATIVE (or testing arranged through your doctor is NEGATIVE) and symptoms are improving and you feel well, you may return to work.
5. If one or both tests are POSITIVE

EMPLOYEE HAS TESTED POSITIVE FOR COVID USING ANTIGEN OR PCR TEST (AT HOME, ON CAMPUS, OR EXTERNAL TEST) AND IS ASYMPTOMATIC OR HAS SYMPTOMS

1. Stay home!
2. Contact manager AND Mary Cote (725-3033 or email mcote@bowdoin.edu)
3. HR will give you guidance on how to proceed.
   - call your physician
   - obtain external PCR test if necessary
   - stay home and isolate for a minimum of 10 days. In addition, you should be fever free for at least 24 hrs without the use of any fever reducing medications.
   - do not go to work or anyplace except a doctor’s office
4. HR will conduct CONTACT TRACING with employee to determine any close contacts on campus
5. HR will send a NAVICA/eMed antigen test kit to your home to test the day before you are slated to return to work.
   - if the test is NEGATIVE, return to work after isolation
   - if the test is POSITIVE, contact Mary Cote (725-3033) for additional guidance

CONTACT Mary Cote (725-3033 or mcote@bowdoin.edu)

EMPLOYEE is IDENTIFIED AS A CLOSE CONTACT OF A PERSON IDENTIFIED AS COVID POSITIVE OR POTENTIALLY COVID POSITIVE

1. Contact manager AND Mary Cote (725-3033 or mcote@bowdoin.edu)
2. HR will give you guidance on how to proceed and make arrangements for you to
   - pick up 3 eMed/NAVICA test kits on campus
   - test on Day 2, 4, and 6
   - you may come to work provided you wear a mask continually in all public places for 14 days and on campus while testing NEGATIVE
3. If any test is POSITIVE, stay home and contact HR for additional guidance
