BRING THESE INSTRUCTIONS TO YOUR DENTIST

Dear Dentist,

At Northeast Delta Dental, we understand that some patients need more dental care than others. That's why we offer our **Health through Oral Wellness [HOW]** program.

Many of your Northeast Delta Dental patients who are at risk for certain conditions may be eligible for additional preventive benefits at no additional cost to them.* To assess their risk level, they need your help! They need you to complete an oral health risk assessment using a clinical risk evaluation tool called the Oral Health Information Suite (OHIS) that is provided to you by Northeast Delta Dental at no charge.

Getting started is quick and easy—you can perform this assessment on your patients immediately!

1. Go to nedelta.com/Providers, log into Benefit Lookup, click on the HOW registration link, and follow the on-screen instructions.
2. Click 'Find my Practice Information,' select the dentist and location from the list, and click 'Submit.' Please note that a separate registration is required for each practice location.
3. Complete the required fields and click 'Register.'
4. You will receive an email from PreViser advising you to complete and validate your registration by visiting previser.com/free and selecting 'My Account.'

To learn how to maximize the value of using this important tool, please view the training videos from PreViser University on their website at previser.com/free.

If you have questions or are unable to locate the dentist information you entered, please call Northeast Delta Dental's Professional Relations department at 1-800-537-1715.
