ArtVan	37 Mill St. Brunswick, ME	Yuko Handa Executive Director yuko@artvanprogram.org 617-8941903	Hybrid	ArtVan is on a mission to promote equity and accessibility by delivering mobile art therapy for transformational healing to people in their communities. We bring community based group art therapy programs to youth and their families, adults and seniors in Brunswick, Bath, Freeport, Lewiston, Auburn, Rumford and Mexico.	The volunteer will help with organizational support - including but not limited to: grant research, grant writing, industry research, digital information management, office organizations, etc.,. The winter break period is our quiet time in between programs and we do a lot of cleaning, organizing and planning during this period.
Independence Association & Spindleworks	3 Industrial Parkway Brunswick, ME (Main Office and Community Supports Program "Community Vision") 7-9 Lincoln St Brunswick, ME (Spindleworks Arts Program, a program of Independence Association)	Alli Vercoe Director of Programs avercoe@iaofmaine.org 207-751-8015	In-Person Only	Independence Association and Spindleworks is a nonprofit organization that supports adults and children with disabilities in achieving full and inclusive lives in their chosen communities. We offer a variety of programming options to include community supports programs, residential group homes, adult and children's case management, community living and Spindleworks Art Centers. We strive to support individuals in living independent, fulfilling lives by offering programs that foster community engagement, personal growth and wellness. We create a space where everyone is valued, respected and encouraged to reach their full potential.	We are looking for a motivated student that is interested in spending time with individuals with disabilities at our community support program "Community Vision" and/or our Spindleworks Arts Program. Our community supports program "Community Vision" offers a variety of activities that promote independence, inclusion and personal growth to individuals with disabilities to include fitness programs, cooking classes, attending sports and recreation activities, volunteering, Special Olympics events, etc. Spindleworks offers guidance to artists to find their creative voice through fostering creative growth, a shared skill-building approach, shared ownership, and care of a studio and gallery, workshops and community engagement activities. This position could be tailored to the interests of a student who would like to share their interests and skills with the individuals we support through a mixed opportunity in both programs or one of the programs.
Little Sparrows Clothing Closet	Basement of the Brunswick Nazarene Church 94 McKeen Street Brunswick, ME 04011	Katya Rogers Director of Little Sparrows Clothing Closet LSCC@brunswicknazarene.com 207-509-4236	In-Person Only	Our mission is to clothe people in the mid coast area who are experiencing clothing scarcity for free. We process clothing and shoes that the members of the community have donated so that people can shop for clothing they need for free.	A student could join us in processing donations, restocking the clothing closet, greeting patrons, checking patrons in and out or entering data and minor cleaning.
Midcoast Literacy	9 Park Street Bath, ME 04530	Daniel Burson, Executive Director d.burson@midcoastliteracy.org 207-443-6384	In-Person experience only	Midcoast Literacy runs free literacy programs for people of all ages and backgrounds in midcoast Maine. Our mission is "improving lives through literacy." Our programs provide free, individualized tutoring for adults and school-age children; workplace literacy group classes for English language learners employed at local businesses; family literacy sessions for preschool and Pre-K families; and free children's books for low-income families.	We are looking for a volunteer to take and edit photographs and video of our various programs in action. The volunteer would travel to locations where programming is taking place in the Brunswick-Topsham-Bath area to capture photos and video and then sort, select, and edit the results to expand Midcoast Literacy's supply of media documenting our programs.
People Plus Teen Center	Brunswick, ME	Stacy Frizzle-Edgerton Executive Director director@peopleplusmaine.org 207-729-0757	In-Person Only	People Plus supports an engaged, healthy, and independent life for older adults and youth, while joining others to build a community for all ages that includes in-person programs as well as free transportation services. We serve both seniors and teens with nutrition, health and wellness exercise and educational classes, trips, games and clubs that improve their quality of life and create a shared community.	Bowdoin students can work with older adults in the nutrition program, preparing and serving a free lunch every Monday, as well as offering technology tutoring sessions, and helping with classes and club. They could also work with the Teen Center in similar areas including food, games and tutoring. The hours could be shared between the Senior Center and Teen Center - especially during the holidays and teen school break week where plan lots of field trips, parties and adventures. The above mentioned services could easily be shared by a second Bowdoin student. There are more than enough tutoring and game opportunities for which two students could help!
Tedford Housing	14 Middle St, Brunswick	Emily Bollman Volunteer Coordinator emily@tedfordhousing.org 207-729-1161 ext.130	In-Person experience only	Tedford Housing's mission is to support our unhoused neighbors and those at risk of losing their housing through a variety of programs. Tedford Housing provides emergency shelters, heating assistance, case management for Permanent Supportive Housing units and other clients, and homelessness prevention services.	Tedford Housing's overnight Warming Center serves as a safe, low-barrier space for unhoused neighbors— including families and pets— to stay warm during the winter months. Open nightly from November 15 – May 1, the Center provides meals, rest, and safety to some of our community's most vulnerable individuals. Volunteer Hosts play an important role by helping serve dinner, keeping the kitchen clean and organized, and creating a welcoming, hospitable environment for guests. The host shift is from 3:45pm-6:45pm (preference to those who can commit to a weekly or bi-weekly shift) and requires a background check and short orientation.
Teens to Trails	179 Neptune Drive Suite 300 Brunswick, ME 04011	Connor Huggins Outreach and Communications Manager connor@teensstrails.org 207-725-0800	Hybrid	Our Mission: To connect Maine students to life-changing outdoor experiences. Through grants, scholarships, gear, trips, trainings, and year-round support, we help middle and high schools create and sustain thriving outdoor clubs.	Projects may include helping develop a retrospective post-then-pre questionnaire to measure students' social, emotional, and physical outcomes from Outdoor Club participation; creating impact infographics and printable toolkits for programs like the Life Happens Outside Challenge; developing seasonal activity guides; auditing and updating the Teens To Trails Club Hub and "Start a Club" resources; and writing short outdoor skills or health-and-wellness mini-guides.
The Emergency Action Network (TEAN)	We don't have an office location. Work with us would be virtual, and meetings would be in a local meeting space.	Charles Leitzell Board President The Emergency Action Network (TEAN) cleitzell@brunswicksd.org (207) 522-7725	Hybrid	TEAN was founded to support Brunswick students. We work with liaisons in the Brunswick School Department (in the Guidance Offices at each school) to find the things that students need to be successful. We maintain a small army of volunteers (via Facebook mostly) that will find a warm coat, a new pair of sneakers, a bike, a mattress, etc.	We would love some help transitioning our social media presence. We are rooted in Facebook, which has worked really well in the past, but we need to spread ourselves to other platforms and think deeply about our online structure. We would love a young, fresh set of eyes to help us think this through!
Town of Brunswick: Town Clerk's Office	Brunswick, ME	Fran Smith Town Clerk fsmith@brunswickme.gov 207-725-6658, option 4	Hybrid	Providing great services to the citizens of Brunswick at all levels of local government.	We will be implementing a couple of programs around shellfish harvesting licenses and student apprentice program that we could use help getting it set up for the first time. In addition we will work on election related work and the business licensing ordinance. There is enough work around the projects listed above for two students
