To learn more about the many ways that Bowdoin students, faculty, and staff are involved in the community, visit the McKeen Center website at www.bowdoin.edu/mckeen-center.

Bowdoin

Bowdoin *and the* Common Good

A Symposium Celebrating Community

Thursday, May 12

3:30-5:00 p.m.

Morrell Lounge, Smith Union

Each year, hundreds of Bowdoin students enhance their learning through community engagement that connects them to issues of public concern locally, nationally, and internationally.

As students expand their understanding of an issue, they also work to foster mutually beneficial ties between the campus and the communities in which they work.

This symposium provides a public forum for students to share stories and learning from service and research projects they have carried out in schools, social service agencies, and cultural and environmental organizations.
