WHAT MATTERS

How Can I Learn More From People?

To understand, try these words:

- * Why do you think that?
- * When did you first form that belief?
- * Why is it so important to you?
- * Tell me more about . . .

To learn more about the many ways that Bowdoin students, faculty, and staff are involved in the community, visit the McKeen Center website: www.bowdoin.edu/mckeen-center.

Bowdoin

Bowdoin and the Common Good

A Symposium Celebrating Community

Thursday, May 10, 2018
3:00-4:30 p.m.

This symposium provides a public forum for students to share stories and learning from service and research projects they have carried out in schools, social service agencies, and cultural and environmental organizations.

As students expand their understanding of an issue, they also work to foster mutually beneficial ties between the campus and communities in which they work.
