# BOWDOIN COLLEGE

## SARAH AND JAMES BOWDOIN DAY

Friday, October 22, 2021  
*Pickard Theater, Memorial Hall*

At the Sarah and James Bowdoin Day Exercises the College gathers to recognize its highest-ranking scholars and to hear speeches by an outstanding student and a highly recognized practitioner in one of the liberal arts disciplines.

The recognition of James Bowdoin Scholars was begun in 1941 to honor those undergraduates who distinguish themselves by excellence in scholarship and to commemorate the Honorable James Bowdoin III (1752–1811), first patron of the College. James Bowdoin III, who asked that the College be named after his father, was an agriculturalist, an art and book collector, and a diplomat who served as Thomas Jefferson's minister plenipotentiary to Spain from 1804 to 1808.

In 1997, by faculty vote, the College determined that both the commemorative day and the distinction as scholar be changed so as to recognize both Sarah and James Bowdoin. Sarah and James Bowdoin were married from 1780 until his death in 1811. Like her husband, Sarah Bowdoin gave many gifts to the College, including most of the Bowdoin family portraits, which were bequeathed to the College upon her death.

*The Bowdoin shield on the cover of this program is derived from the coat of arms of the Bowdoin family. Uses of the design and motto date from at least 1755, by the family of Pierre Baudouin; from before 1811, as James Bowdoin III's bookplate; and since 1894 in Bowdoin publications. The motto, Ut aquila versus coelum, may be translated, "As an eagle [soaring] toward the heavens."*
