

BOWDOIN COLLEGE

Students are required to complete a first-year seminar; this should normally be completed by the end of the first semester and no later than the end of the second semester in college.

Courses may meet on Monday (M), Tuesday (T), Wednesday (W), Thursday (R), and/or Friday (F).

Information as of Jan 24, 2019 - Subject to change

First-Year Seminars

BIOLOGY

BIOLOGY 1027 a. Evolutionary Links. Spring 2019. Jackman, William

Seminar exploring our deep evolutionary history from the first multicellular animals to Homo sapiens. Emphasizes the living and fossil species that illustrate important transitions that resulted in the evolution of new anatomical features, physiology, and behavior. Includes an embryo observation unit with data collection and analysis. Readings from online media, popular science books, and primary scientific articles. Frequent writing with an emphasis on styles used in modern biology. (Same as)
