

# Bowdoin College Spring 2022 Final Exams

Final Exams are scheduled based on the time block in which the class is scheduled. Morning courses have morning exams, afternoon courses have afternoon exams and evening courses have evening exams. In order to schedule fairly, each set of timeblocks cycles through their designated exam time day-by-day each semester. For example, if TR 8:30am courses have their exams on Day 1 in the morning in the fall, they will have their exams on Day 2 the following spring. Evening exams will always occur in the first two evenings but alternate between Day 1 and Day 2 across semesters.
