Color Key	Description
Yellow highlight	Applicable course types required
Green highlight	Same start times, only 1 must be used
Blue highlight	Evening blocks

Departments/Programs must use all available daytime (8:00 am - 4:15 pm) start times once before using them a second time (and must use them all a second time before reusing them a third time, ad infinitum). Note that blocks 2 and 3, 4 and 5, blocks 8 a-d, and blocks 9 and 10 count as one start time. "Applicable" blocks are those that are permissible for a department's course offerings. If none of the course/lab offerings can meet the rules governing the use of a time block, described in the "Block Restrictions" column, usage of the block is not required. There are several evening blocks available, but their use is not required.
