

2019 ON-CAMPUS HOUSING LOTTERY

A BRIEF SUMMARY

The housing lottery is the process through which rising sophomores, juniors and seniors are assigned on-campus housing. The process consists of four different lottery application deadlines and their corresponding lotteries. Each lottery is a separate entity. When students enter each lottery, they are assigned a random lottery number based on year of graduation and current credits. Groups, Roommate Pairs, or Blocks will only receive one lottery number.

Application Info

- To be eligible for the lottery, you must be enrolled for the Fall 2019 semester as of March 31, 2019.
- Applications for each lottery are available online at apps.bowdoin.edu/lottery/lotteryview
- Late entries will not be accepted under any circumstances.
- Once an online application has been completed and all individuals have accepted, changes or merges will not be permitted.
- Applications that have incomplete or inaccurate information, or violate the guidelines outlined in the Lottery Guide will be voided.
- Submit one Application for each specific lottery you (your group or block) wish to enter. For example, submit a separate 4-person application and a 5-person application if you want to be considered in both lotteries.

Lottery Info

- Lottery numbers will be emailed and posted the afternoon of each lottery in the Residential Life Office in the Coe Building.
- Follow @BowdoinResLife on Twitter. We'll Tweet approximately every 20 lottery numbers as well as when buildings become full.
- You, your Proxy*, or a member of your group must be present at the lottery to choose a space when your number is called. Numbers are called in order. If you are not present when your number is called, your Application is coded "no show."
- Students currently on campus but unable to attend the lottery may designate a Proxy by emailing Lisa Rendall.
- Once you choose a space, you become ineligible for any subsequent lotteries.

The Point System

- Lottery numbers are derived on the basis of seniority as follows:
.....
- **RISING SENIORS: 3 Points**
- **RISING JUNIORS: 2 Points**
- **RISING SOPHOMORES: 1 Point**
.....

The Block Option

Blocks enter the lotteries on the same application as Groups. Blocks are randomly assigned on lottery number just like individual groups vying for the same space.

- **5-person locations: Groups of 5 or Blocks of 10**
- **6-person locations: Groups of 6. No Blocks.**
- **4 or 8-person locations: Groups of 4 or Blocks of 8**
- **3-person locations: Groups of 3 or Blocks of 6**
- **2-person locations: Groups of 2 or Blocks of 4, 6, or 8**
