As you know, our 55th Reunion will be held from May 30 – June 2. As of the date of this letter, 49 of our classmates and friends have indicated that they plan to return to campus that weekend. We have listed those who have already indicated they are coming on the reverse side of this letter. You can see updates by going to the Class of 1964 Reunion page on the College's website for an updated/ongoing list of "Who's Attending the 55th." Our class page is [bowdoin.edu/reunion/1964.html](http://bowdoin.edu/reunion/1964.html). We think that this has been a terrific response, but hope that more of you will decide to attend. Every effort has been made to keep Reunion fees at an affordable rate. In fact, the costs shown on the registration form reflect generous contributions by some of our classmates that has resulted in a reduction of \$100 a person!

The time to formally register is ASAP and you can do that by completing and returning the enclosed registration form. We also wanted to let you know that we have had a terrific response to our 55th Reunion Newsletter with approximately 50 classmates submitting news and photos. You should have received that by now, and we hope you're enjoying it.

If you haven't yet made arrangements for lodging you should do that as soon as possible. If you plan to stay off campus, the College has reserved a block of rooms at the Comfort Inn on Pleasant Street (207-729-1129). If you are interested in staying there please mention that you are attending

Bowdoin's 55th Reunion Weekend, and reserve your room by May 15. You can also consult the College's list of accommodations on the Bowdoin website at [bowdoin.edu/about/campus-location/visitor-resources/index.html](http://bowdoin.edu/about/campus-location/visitor-resources/index.html).

The schedule of activities for our class is being firmed up and we hope that you will be pleased with the results. We are particularly excited that Bob Hooke's Polar Bear Sculpture will be dedicated at Whittier Field on Friday afternoon. Our preliminary schedule is enclosed.

Casual attire is suggested for all. When arriving on campus, please check in at the Welcome Center in Moulton Union to register and pick-up other weekend related materials. Additional College sponsored activities will take place throughout the weekend and will be contained in the College's Reunion schedule.

The Reunion Committee has worked hard to provide an exciting weekend of activities as well as sufficient time for folks to simply hang out and visit. We are looking forward to seeing as many of you as possible on campus in the spring.

Fondest wishes to you all,
