

Dear Classmates,

When we graduated from Bowdoin in 1984, “social media” meant posters and flyers obscuring the doors to all the dorms. Fraternities, hours spent at dinner in the Tower or the Union, and hanging on the steps of Appleton fueled our “social networks”, and the only thing with 24-hour connectivity was our intrepid Bowdoin Security team patrolling campus and cheerfully getting us safely back to our rooms. While much has changed since our senior year, our love for Bowdoin stays constant. We invite you back for a weekend on campus to celebrate Bowdoin then and now at our 35th Reunion, **Thursday, May 30 through Sunday, June 2.**

Reunion Weekend will feature hundreds of events, programs, and gatherings to engage and entertain us throughout the weekend. Programs include **Reunion Talks** by alumni, faculty, and staff, a boat trip to **Eagle Island** in Casco Bay, special evening access to the **Bowdoin College Museum of Art**, **Bowdoin Brewfest**, **Reunion Convocation** ceremony, and a traditional **Maine lobster bake** by Bowdoin’s award-winning Dining Services.

Special events for Class of ’84:

Friday evening **Class Reception and Dinner** at our class headquarters, **TD (MacMillan House)**. This is the first official class gathering for the weekend.

Saturday afternoon, classmate **Kary Antholis ’84**, will speak to the campus community as part of the Reunion Talks series.

Saturday evening performance at TD by the **Photons!** Bandmates Randy Shaw ’82, Keith Shortall ’82, Doug Taylor ’82, and Jim Jenson ’82 make a triumphant return to the stage.

While the planned activities, meals, and walks down memory lane are reason enough to make the trip to campus, it’s the people we are coming to see. So join us! Don’t miss this opportunity to see our classmates – really see, not just view through a screen! Visit **bowdoinreunion.com** to register for Reunion online or download a paper registration form, get additional event details, and to see who is coming.

We look forward to seeing you soon beneath the pines!
