

Dear Polar Bears,

It is time to relive our glory days! Join us back on campus for our 20-Year Reunion Weekend (**Thursday, May 30 through Sunday, June 2, 2019**). This is not just a great opportunity to escape to Maine during the nicest time of year, but also a chance to see the familiar faces of classmates, share memories, and (re)introduce our family and friends to life as a Polar Bear.

If the thought of a sunny afternoon on the Quad with friends, family, and music is not incentive enough, here are a few Reunion highlights to get you excited:

The weekend kicks off with a **Reunion Welcome Dinner** on Thursday night, followed by a special after-hour reception and tour at the **Bowdoin College Museum of Art**. After a tented dinner at our shared Headquarters with the Class of '04 on Friday, head over to Smith Union for the **Bowdoin Brewfest** featuring tastings from craft breweries all over New England.

Saturday begins with **Convocation**, a Bowdoin Reunion tradition. The afternoon **Reunion Carnival** will offer fun activities for all ages and a **Bowdoin Reunion lobster bake** is the perfect way to kick off the evening before we close out the weekend with a special **Class of 1999 Party** at our class Headquarters!

On-campus accommodations will be available in **West Hall**, our class Headquarters (just a short stumble up to bed!). If you're planning to bring your family, a limited amount of apartment housing is available for families upon request, on a **first-come, first-served basis**.

And for those bringing families, you'll be happy to know **kids 17 and under attend Reunion for free!** Also, **special kids' activities** will be available at our Headquarters: bouncy house, lawn games, arts and crafts, and movie nights! We'll have our own tent and bar set up on the lawn, allowing parents and kids to have their respective fun and still keep an eye on each other.

Visit the Reunion page at [bowdoinreunion.com](http://bowdoinreunion.com) for event information, updates, and to see who is coming.

Life after Bowdoin took us in many directions: we are community leaders, coaches, parents, artists, educators, lawyers, doctors, entrepreneurs, and more. Wherever your path led you after Bowdoin, we all have news and experiences to share and we are looking forward to catching up with you on campus!

Sincerely,  
Class of 1999 20th Reunion Committee
