

Dear Classmates,

It is time to relive our glory days! Join us back on campus for our 15-Year Reunion Weekend (**Thursday, May 30 through Sunday, June 2, 2019**). This is not just a great opportunity to escape to Maine during the nicest time of year, but also a chance to see the familiar faces of classmates, share memories, and (re)introduce our family and friends to life as a Polar Bear.

If the thought of a sunny afternoon on the Quad with friends, family, and live music isn't incentive enough, here are a few Reunion highlights to get you excited:

- The weekend kicks off with a **Reunion Welcome Dinner** on Thursday night, followed by a special after-hour reception and tour at the **Bowdoin College Museum of Art**.
- After a tented dinner at our joint Headquarters with the Class of '99 on Friday, head over to Smith Union for the **Bowdoin Brewfest** featuring tastings from popular New England craft breweries.
- Saturday is steeped in Bowdoin Reunion tradition with events including **Reunion Convocation**, where Jeff Hom '04 will receive Bowdoin's Common Good Award, **Afternoon on the Quad**, and the traditional **Bowdoin Reunion lobster bake**.
- On-campus accommodations will be available in **Osher Hall**, our class Headquarters (just a short stumble up to bed!).
- If you're planning to bring your family, a limited amount of apartment housing is available for families upon request, on a **first-come, first-served basis**.
- And for those bringing families, you'll be happy to know **kids 17 and under attend Reunion for free!** Also, **special kids' activities** will be available at our Headquarters: bouncy house, lawn games, arts and crafts, and movie nights! We'll have our own tent and bar set up on the lawn, allowing parents and kids to have their respective fun and still keep an eye on each other.

Visit bowdoinreunion.com to register for Reunion, make your Alumni Fund gift, and see who's coming.

We look forward to seeing you!
