

Our Deceased Classmates

Included below are our classmates who've passed away since our time at Bowdoin. We will remember them at our Class Memorial Service during Reunion Weekend, and will include information about each in our 50th Reunion Yearbook.

We'd like to invite their widows/spouses/partners to our 50th activities, and have contact information for only some of them (indicated with an *). If you know how to reach any of the others, please include their contact information on the enclosed card.
