*The background/MVR check will arrive from Sterling, a company utilized by Bowdoin to conduct checks on all employees and volunteers at the college. Sterling utilizes a combination of online and offline security technologies, procedures, and organizational measures to help safeguard consumer information against loss, misuse, and unauthorized access, disclosure, alteration and destruction.

The form itself only requests Name, Mailing Address, Email, SSN, Residence History and MVR info. Just to be clear, Bowdoin is only doing a criminal background check and MVR for those who drive and not checking credit (there isn’t a need to unfreeze credit reports or submit a CV).
