The deadline to apply NOW! is FEBRUARY 15, 2022.

**FAFSA**
US citizens and eligible noncitizens apply online at FAFSA.gov. The FAFSA determines eligibility for federal aid. Parents and students must sign the FAFSA using their FSA IDs.

**CSS Profile**
Complete the CSS Profile online at cssprofile.org. The CSS Profile is used to assess eligibility for institutional aid from Bowdoin. The student’s CBFinAid ID is required.

**2020 Federal Tax Returns**
Most parents and students are required to submit complete copies of 2020 federal taxes, including personal and business taxes, all forms and schedules, and W-2(s). These must be submitted through IDOC (Institutional Documentation Service).

**IDOC**
Upload 2020 taxes and any other required documents via IDOC. After the CSS Profile has been completed, access IDOC from the CSS Profile dashboard by viewing “next steps.” Logging in to IDOC directly is also possible at idoc.collegeboard.org/idoc/IDOC/indexIDOC.aspx.

**TIPS**

- **Apply early.** The CSS Profile, FAFSA, and IDOC are all available October 1st.
