Student Employee Appreciation Poster

Supervisors... this one is for you! This is a fun way to think about all of the amazing work your student employees produce for you. Yes, there is a little work involved, but it should be fun! How would you have finished that project without your student employee? Did your student employee come up with a brilliant new idea? Consider how happy your student employees will be when they see that you’ve set aside time to recognize and thank them for their hard work this semester/year. There are very few guidelines (see below). Have fun and feel free to be creative!

Here’s how it works:

Show your support of Bowdoin Student Employees by creating a poster of appreciation that they will see when they arrive at work the week of April 9 – 15th.

SEO will distribute poster boards to a representative of each department interested in participating. Your task is to work with other staff in your department to come up with a poster that symbolizes your appreciation for the students working in your department.

Posters should be hung up in your workspace on April 9th or 10th and left up for the entire week. On Friday afternoon, we will come around to collect the posters. All posters will be displayed at the Student Employee of the Year Reception on April 14th from 3:30 pm – 4:45 pm in Daggett.

Poster Guidelines:

- Posters must be completed and posted in employer’s area by April 10th.
- Once the poster is up, take a photo and email it to seo@bowdoin.edu. Let us know the location of where it’s posted and who the point of contact is for the department. We’ll post pictures of the posters on our Facebook page!
- Only one rule: Posters CANNOT be made by student staff!

Email seo@bowdoin.edu today to request your poster board! We will deliver it to you!

Have fun with this and remember all your student staff does for you!
