Hiring a Student Employee from their Student Record

1. **Search** for student by name using **Workday search bar**. Type **student: student name**. The student record will appear in the search results.

   ![Search Student in Workday](image)

   *Note: Effective July 1, 2022, all students now have a Workday profile, regardless of their employment status. New hires are required to complete the electronic I-9 and employment forms through Workday before starting employment. I-9 documents must still be presented in person at SEO.*

2. Click on the student’s name to bring up their student profile. Click **Actions > Hire > Hire Student**.

   ![Hire Student in Workday](image)

3. Ensure your **STUDENT Supervisory Organization** appears and then click **OK**. If not correct, select the correct STUDENT Organization.

*Updated 7/11/2022*
4. Workday will prompt you to **Hire** or **Add** Job depending on whether this is the student’s first campus job (HIRE), or they are already an active student employee (ADD JOB).

   **NEW HIRE**

   **ADD JOB**

   If this is the student’s first campus job (selecting HIRE), they will be required to complete the necessary employment forms via Workday **BEFORE** they can start working.

5. In the **Hire Date** field, enter the date you want the student to start work. If **Add Job** was selected, in the **Effective Date** field, enter the date you want the student to start work. **Note: The job will not be visible, nor will the employee be able to enter hours in Workday until this date.**

6. In the **Reason** Field, select **Student > Student New Hire. Note: this field will not appear for Add Job.**

7. In the **Job Details** area, enter the following values for all student employees:
   - **Employee Type** – For Current Country > Temporary (Fixed Term)
   - **Job Profile** - Type in a few characters from either the department name or the job title. A list of options will appear. Select the job, or a similar job (job title can be adjusted in another field).
     **Tip: The Job Profile is the position title preceded by the department name and a hyphen with no spaces.**
   - **Time Type** – Part Time
   - **Location** – Maine
   - **Workspace** – (leave this field empty)
   - **Pay Rate Type** – Hourly
8. Click Additional Information

9. In the Default Weekly Hours field, change entry from 40 to 0.

10. In the Scheduled Weekly Hours field, change entry from 40 to 0.

**Note:** If the Job Title is different from the Job Profile, you can edit the Job Title field. Keep the format the same using the department name-job title. When entered, the business title will automatically change to match the job title.

11. In the Additional Job Classifications field, click Weeks Per Year then select 0-0 weeks/0.00 FTE. **IMPORTANT:** You MUST use 0.00 FTE Additional Job Classification for student employees, as they are not eligible for benefits.

12. In the End Employment Date field enter **08/31/year of expected graduation.**

13. Click Submit. A confirmation screen will open showing the next step in the hiring process.

14. Click Open to propose compensation hire.

**Note:** If you accidentally click Done instead of Open on this screen, you can access the next step of the hiring process from your Workday inbox.
15. Scroll down to the **Hourly** section and click on the pencil icon to edit the fields. In the amount field, enter the hourly rate for the position.

![Hourly section](image)

**Note:** If uncertain what the pay rate is for a specific position, please contact the Student Employment Office.

16. Click **Submit**. A confirmation screen opens showing the next step in the hiring process.

17. Click **Open** to Change Organization Assignments. The Organization Assignment is where you will assign a cost center (project number).

![Success! Event submitted](image)

18. Scroll to **Cost Center** section and click the pencil to edit the field.

![Cost Center section](image)

19. In the **Cost Center** field, type the cost center number or name. When the cost center appears in the Search Results, select it.

20. Click **Submit**. A confirmation screen indicates the student has been successfully hired for the job.

NEXT STEPS:

If **HIRE** was selected (student’s first job on campus):

- Student employee will receive a notice in their Bowdoin email reminding them that they need to log into Workday and complete their onboarding (employment forms).
- Supervisor will receive an email that the student is not yet authorized to work.
- Supervisor will receive a follow up email once student meets with Student Employment Office to complete the I-9 form. Student may begin working.

If **ADD JOB** was selected:

- Student employee may begin working. No additional paperwork is required.

**NOTE:** If you are hiring an international student into their first campus job, then additional steps are required. The supervisor will receive an email notification from Workday regarding these steps. Be aware that the process will take a few weeks and the student may not begin working until the process is complete.

**HELPFUL REPORTS:**

- **Student Employment Status - Managers**: This report will pull all active students and identify those who are employees (employment forms complete) and those who have not yet worked on campus.
- **Student Onboarding Summary**: This report will identify the status of the employment forms for new hires. 100% = ready to work!
